Dear Sir:

In response to the Restriction and Election of Species Requirement dated October 17, 2006, the applicant hereby elects Invention I and Species Ia, with traverse. Claims 1-7 are considered to be directed to the elected subject matter.

The Applicant respectfully requests withdrawal of the Restriction Requirement and Election of Species Requirement. No unduly extensive or burdensome search would be required to examine the claims of the various groups and species in the same application. MPEP §803 states:

"If the search and examination of all the claims in an application can be made without serious burden, the Examiner must
